Manager/Light the Night Team Captain

Deltek is proud to support The Leukemia & Lymphoma Society's (LLS) mission to cure leukemia, lymphoma, Hodgkin's disease and myeloma, and improve the quality of life of patients and their families through our participation in the Seattle Light the Night. Light the Night is LLS's annual walk and fundraising event and the nation's night to pay tribute and bring hope to people battling cancer. Deltek has set an ambitious goal to raise \$10,000 for the Seattle Light the Night. As part of our strategy to meet our \$10k goal we will be organizing an auction and we are looking for items over \$100 to help us reach our goal. Season passes, concert tickets, and/or exclusive events are all wonderful examples of items that Seattle Gift Card Fund could contribute.

I am confident that you will join us in stepping up to the challenge. Your tax-deductible contribution (LLS Federal Tax ID: 13-5644916) will greatly enhance these collective efforts. We also invite you to join Deltek at this year's Light the Night on 10/26/19 as well as our kickoff event the day before where the auction will be held. We are proud of our strong partnership with The Leukemia & Lymphoma Society, a partnership that continues to advance research in the treatment and prevention of this life-threatening disease. Your company's participation in Light the Night will help continue funding The Leukemia & Lymphoma Society's work to cure blood cancers, and improve the quality of life of patients and their families. Please join us in supporting an organization dedicated to curing and preventing these

As one of the largest dog rescues in the Greater Seattle area, we aim to give dogs in need a second chance at life as much loved pets. We also assist many local dogs in finding new homes when their owners can no longer care for them. All of us at SGA are truly passionate about matching dogs in need with the perfect family searching for a furry companion.</p> <p>Raising funds to support our work is an ongoing effort. Our annual fundraiser, the Bark Benefit, will be held on June 3, 2017 at Pickering Barn in Issaquah. In order to ensure the success of this very important fundraiser, we are seeking donations to our silent and live auctions. Generous donations from companies like yours are the key to our success and we hope that we can count on your support to help us save the lives of many more dogs.</p> <p>Saving Great Animals is a 501(c)3 non-profit organization and your donations are tax deductible. Listen and Talk

Engagement Coordinator

Listen and Talk is a Seattle-based nonprofit organization that provides children who are deaf or hard of hearing with the skills they need to reach their full language and learning potential. Our educational programs steer the course for children with hearing loss to move into mainstream schools and to compete and succeed side-by-side with their mates who have hearing. The development of age appropriate language skills in children with hearing loss has shown positive benefits to communities and taxpayers through lower special education expenses.

For over 20 years, Listen and Talk's mission and vision has remained the same while the need for our services has grown exponentially. On average, public dollars cover just 60% of our services. Listen and Talk relies on grants, sponsorships, and generous private donations to sustain its programs.

The families we serve live and work throughout the Puget Sound area, and are eager to support local businesses. We invite you to showcase restaurants in Ballard and their commitment to children in our community with an in-kind donation of an item or service to our annual benefit and auction. Your company will be acknowledged in our auction catalog, on our website, and will be prominently printed on the item display at the event.

Please note that any gift certificate with an expiration date should be valid for use from the date of the auction.

I think it's great! Looking forward to seeing how it works! Our donors come from all of the City, so this is a great way to promote my neighborhood of Ballard!

Thank you for considering our request!
